PROFESSIONAL SUMMARY

I am currently in college studying for a Bsc. in Computer Science. I'm a early riser, hard worker, I'm good with people & I want the experience. I am also currently learning GIT, Docker, Kubernetes & Java but I am willing to learn anything required for the job. Thank you for your consideration.

EMPLOYMENT HISTORY

BHA at Lingleaf Hospital, Alexandria, LA

Jun 2025 — Present

As a BHA I monitor patient behavior, chart their current status, maintain incident logs, and coordinate with clinical staff. I am to make sure they behave appropriately at all times.

AmeriCorps Member at The Food Bank Of Central Louisiana, Inc., Alexandria, LA

May 2024 — Aug 2024

Wendy's Crew Member at Wendy's, Alexandria, LA

Jul 2022 — Aug 2022

SKILLS

Computer Science

EDUCATION

B.Sc. Computer Science (in progress) at Louisiana State University-Alexandria, Alexandria, LA

Aug 2022 — Present

Currently studying for my Bachelor's degree. I expect to graduate August 2027. I was supposed to graduate earlier but a number of health issues & advising mishaps postponed my graduation date.

High School Diploma at Freedom Faith Academy, Lokoja

2021 — Aug 2022

I attended 3 different high schools. I graduated in 2022 from Freedom Faith Academy, Kogi State, Nigeria.
